## Proposed Amendments to our Chapter By-Laws

This past August, ASSE members made the historic decision to change the organization's name to the American Society of Safety Professionals.

ASSE members voted to amend Society bylaws to reflect the new name. As a separately incorporated entity, our chapter needs to hold a separate chapter member vote to change the name in our bylaws, as well.

To learn more about these proposed changes:

[View a copy of our chapter's bylaws with the proposed amendments](#)

We will hold a member vote on these proposed changes at the **March 9th** chapter meeting.
