## A Message from the Chapter President

Fellow Three Rivers ASSP Members:

I hope everyone is safely enjoying the summer time. Before saying anything else, I wanted to personally recognize and thank Jeff Winter for his tremendous effort and commitment at leading our Chapter through two successful years which included achieving Platinum status recognition for the Three Rivers Chapter for the first time. Thank you Jeff!

I am very excited for a return to the President's position and to lead our chapter through another exciting year as we continue to grow and improve. I am extremely grateful to be backed and supported by a wonderful group of safety professionals who make up our Executive Board, as well as our Committee Chairs. Each month we get together as a team and work on short and long-term planning. Did you know that all meetings are open to any of our members and we always welcome fresh ideas and participation?

The Executive Board and the Committee Chairs have planned another great year of events and meetings. We will be kicking off an active 2018-2019 Chapter Year on Friday October 12, 2018 at Fermilab in Batavia. Upcoming meeting dates, times and locations will be posted on our events page (<https://threerivers.assp.org/event/>). The magnet that lists all of the meeting dates will be mailed out in September. In general, the meeting agenda goes from 11:30 am-1:00 pm and includes a delicious networking lunch and then the guest speaker.

As President, I would like to personally invite you to attend our events and get to know more about our chapter. Feel free to reach out to me anytime with ideas, thoughts, or questions. I look forward to seeing you!

Brenda Allard, Chapter President
